

Countable noun with a/an and some

You cannot use singular countable nouns alone (without a/the/my, etc). You can use some with plural countable nouns. We use some in two ways. Some means a number of/a few of/a pair of. Some but not all.

No usamos el singular sin artículo. Usamos some para sustantivos plurales.

What awful shoes!!

Some friends of mine are coming for a late evening barbecue.

Some children behave in an aggressive manner.

Some women become pregnant when they are in high school.
